

Get the family together and jump into the Christmas spirit by decorating your house in Christmas Lights.

Whilst the buses will not be running this year, there will still be a map for everyone to use. We will only be allowing lights to be viewed from the street. This is important as it will keep our community safe so grab your decorations, turn them on and spread the joy with us!

We will also ask the community to jump onto the Tremains Facebook page and vote for their favourite house in Hastings/Havelock North and Napier/Taradale.

The winning house in each area will win a \$250 supermarket voucher to spend on Christmas goodies!
