

Tremains Christmas Lights are back for 2024!

Grab your lights, decorate the house, and celebrate the magic of Christmas.

As is tradition, a map highlighting all house participants will be published in the Hawke's Bay Today and available at www.tremains.co.nz for downloading.

In the spirit of Christmas, two lucky participating houses will be randomly selected to have their December power bill paid by Tremains.

Enter today and celebrate the magic of Christmas! Entries close 15th November 2024.
