Good Moves
in our community.

What is Team Up?

At Tremains, we embrace active participation and support within our local communities, extending our commitment well beyond real estate transactions.

We strive to make meaningful contributions and cultivate relationships that enrich the lives of those around us.

Team Up with Tremains is an initiative created to support our local community via not-for-profit organisations to assist fundraising efforts.

Together we can raise funds for your organisation for years to come.

How does it work?

- Sign up with a key real estate agent using our sign up form.
- Allow us to promote your 'Team Up' with our official promotional material. We need you to showcase these in your organisation in as many places as possible to spread the word.
- When an agent lists and sells a home and their client nominates your organisation, you will be gifted \$500 on behalf of the agent and Tremains to go towards your fundraising efforts.
- Take a photo once the cheque has been presented, put it on social media and wait for the next one!
- It's a win, win!

Let's get started!

Simply fill in the registration form on the back page and let's start raising funds.

Two 'Tremains team up' donation forms are shown. The top form is dated 17 September 2025 and is for a donation of Five Hundred Dollars (\$500) to 'Your organisation here'. The bottom form is identical but includes a signature of Simon Tremain, Managing Director. Both forms have the 'Tremains team up' logo and a small 'DONATIONS' box at the bottom right.

Let's get the word out!

- Once you sign up, we will create:
- A3 posters
- A5 flyers
- Social Media tiles

Make the most of your Team Up

To spread the word, please let your agent know if you have any other advertising opportunities within your organisation. These include:
